Stephanie Johnson from Hillside Community Church contacted JMA because they want to be involved again this year. They would like to add more activities this year, possibly a bounce house, live music, more. They are a small church and would need help from another church or group. We will have 2 inflatables, live music from DJ Dano, other games. Guests may bring blankets or lawn chairs.

### **Spring Event – Car Show**

Randi Kuykendoll spoke to us about doing a car show event in the spring. Ideas were to do something possibly at the airport or on Main St. The board likes this idea and will visit it after the fall events. Airport management is very interested in this event. Event date will be May 18.

### **Brochures**

It was suggested that we create a brochure or information card with info about JMA to be given out at events, etc. CF Printing & Promotions has shown interest in helping with this.
